PARENT INFORMATION ABOUT MEDICATION PROCEDURES

- 1. Medications should be administered at home whenever possible. All medications to be administered during program hours must have parent/guardian authorization. Some medications also require authorization by a physician (this includes over-the-counter, antibiotic, or antiviral medications that will be taken longer than 10 days or more then specified by the pharmaceutical manufacturer). The parent/guardian must transport the medication to the office and give it to designated staff.
- 2. The first dose of any new medication must be given at home to insure there are no negative side effects.
- 3. All medications must be properly labeled with the child's name, name of medication, exact dosage to be taken, expiration date and exact time or frequency dose is to be taken. The medication must be in the original container with the prescription label or direction label attached. The form and container must match. Make sure medication has not expired and will not expire during camp.
- 4. Medications may not be accepted by personnel unless the Authorization Form is completed and signed.
- 5. The parent/guardian is responsible for submitting a new form each time there is a change in dosage or a change in time which medication is to be administered.
- 6. All medication is kept in a locked area only accessible to authorized staff.
- 7. When an authorization for medication expires, the parent/guardian shall be notified that the medication needs to be picked up within 14 days. Any medications that are not picked up by the parent within 14 days will be destroyed.
- 8. Dr. Angela Fountain & Associates does not assume responsibility for unauthorized medication taken independently by the child.
- 9. Under no circumstances may any staff member facilitate the taking of any medications outside the procedures outlined here.

EPI-PEN AUTHORIZATION

PART I: To be Completed by the Parent/Guardian

I hereby authorize Dr. Angela Fountain & Associates to administer Epinephrine injection as directed by the Physician below (Part II). I agree to release, indemnify, and hold harmless Dr. Angela Fountain & Associates from lawsuit, claims, expense, demand, or action against them for administering the injection, provided they follow the Physician's order as written below. I am aware that the injection may be administered by a specifically trained non-health professional. I have read the procedures outlined on the back of this form and I assume responsibilities as required. I understand that the rescue squad will always be called when Epinephrine is injected, whether or not the child manifests any symptoms of anaphylaxis.

PARENT INFORMATION ABOUT EPINEPHRINE PROCEDURES

- 1. Epinephrine may only be administered with parent/guardian and physician authorizations. The parent/guardian must transport the Epi-Pen(s) to the office and give to designated staff.
- 2. Medication may not be accepted by personnel unless the Authorization Form is completed and signed.
- 3. A physician may use office stationery or prescription pad in lieu of completing Part II. Necessary information includes: child's name, allergen for which Epinephrine is being prescribed, type of exposure, brand name, amount of pre-measured epinephrine, time for repeat doses if deemed necessary, physician's signature and date.
- 4. The parent/guardian is responsible for submitting a new form whenever there is a change in dosage or a change in the conditions under which epinephrine is to be injected.
- 5. Only pre-measured doses of epinephrine may be given by Dr. Angela Fountain & Associates.
- 6. Medication must be properly labeled by pharmacist. Expiration date must be clearly indicated. Please make sure medication has not expired and will not expire during camp.
- 7. If repeat doses of Epi-pen injections are in the physician's order, the parent/guardian must supply two Epi-pen kits.
- 8. When an authorization for medication expires, the parent/guardian shall be notified that the medication needs to be picked up within 14 days. Any medications that are not picked up by the parent within 14 days will be destroyed.
- 9. Depending on the physician's order, Epi-Pens will be carried by the child or Dr. Angela Fountain & Associates.
- 10. Dr. Angela Fountain & Associates does not assume responsibility for unauthorized medication taken independently by the child.
- 11. Under no circumstances may any staff member facilitate the taking of any medications outside the procedures outlined here.
